Emergency Products Needed; Matchmaking and Bid Opportunities

COVID-19 Emergency Supplies Needed by Regional Corporate Member

We are looking for MBEs that have reusable cloth surgical masks in production and/or possible sources for fabric. The masks need to meet the specification in this [link](#) and meet any recommendations by the CDC.

If your company has reusable cloth surgical masks available or fabric sources that meets the specifications in the above link or CDC recommendations, send an email with your specifications, photos, and contact information to info@pswmsdc.org as soon as possible.

The Michigan MSDC Develops Supplier Portal for COVID-19 Products/ Services

PSWMSDC corporate members and MBEs, our counterparts at the Michigan Minority Supplier Development Council have developed a matchmaker portal in order to accelerate the national response to the COVID-19 pandemic.

The site allows those interested buying products or services to input their needs and requirements to be matched with those that meet their specifications. In addition, those who are selling products or services may share their capacity in order to be matched. Learn how to apply as a buyer or supplier.
